"...'the PROTOCOLS OF ZION were published as a deception (by the Russian Secret Police), to make people believe they had to worry about the Jews.'<P>

"...'throughout history it has been a ploy of the Illuminati to dub anyone who told the truth as an anti-Semite or a Nazi. They only prove my point when they employ the same old tactics to shut people up and to intimidate them. They don't know what to do with me, because I don't intimidate and don't shut up.'<P>

"Cooper states that he has traced the history of the nefarious Illuminati all the way back to the Ancient Temple of Wisdom in Cairo, long before the birth of Christ. 'The Illuminati exist today under many different names and many different occupations.'

Cooper told us. 'They practice Hegalian conflict/resolution. They appear to oppose each other at the bottom ranks (like the 'apparent' conflict between socialist Freemasonry and fascist Romanism? - Branton), but at the highest levels they are actually organizing and controlling the conflict which they have created to produce the solution that they seek.<P>

"'The Illuminati are extremely powerful, very wealthy men. They believe that they are the guardians of the secrets of the ages. They believe that the vast majority of people would not know what to do with the real knowledge and the real truth and the real science -- and would, in fact, misuse them all. They further believe that everything that they do is for the ultimate betterment and survival of humankind -- even if it means killing two billion people to reach their goal...'" <P>

One possible area (aside from the so-called 'DREAMLAND' facility mentioned by William Cooper) which also lies within the Mojave Desert region and which also may connect to the alleged subsurface network is 'Iron Mountain', one of the peaks in the El Paso Mountains northeast of Mojave, California. There are many bizarre accounts connected with this mountain, which apparently got it's name in part from the many old iron mines which can be found there, along with numerous natural cavities which open out to the surface in many different areas. The area has allegedly been the site of certain activity concerning native American Indian

occult practices, as well as the site of alleged secret government activity, some of which reportedly involves the observation and monitoring of strange creatures and/or automatons which are said to emerge from underground openings in the area on certain occasions. Just exactly what these 'creatures' are is uncertain, but some accounts indicate that they are dangerous! Could this also be a 'magnetic anomaly' zone due to the high iron content? There have been mysterious references to time-space windows in the area as well.<P>

  Flying Ace John Lear, in 'statements' released over Computer 'Bulletin Boards' devoted to researching the unknown (such as the PARANET BBS) has stated:<P>

<BLOCKQUOTE>"...If the government won't tell us the truth and the major networks won't even give it serious consideration then what is the big picture, anyway? [Note: This was written before such programs as SIGHTINGS, ENCOUNTERS, UNSOLVED MYSTERIES, CURRENT AFFAIR, MONTEL WILLIAMS, NOW IT CAN BE TOLD and other TV programs DID in fact begin dealing with the UFO phenomena, abductions, and related phenomena in much greater depth - Branton], Are the EBE's, having done a hundred thousand or more abductions (possibly millions worldwide), built AN UNTOLD NUMBER OF SECRET UNDERGROUND BASES (Groom Lake, Nevada; Sunspot, Datil, Roswell, and Pie Town, New Mexico, just to name a few) getting ready to return to wherever they came from? Or, from the obvious

preparations are we to assume that they are getting ready for a big move? or is (it) the more sinister and most probable situation that the invasion is essentially complete and it is all over but the screaming?<P>

"A well planned invasion of Earth for it's resources and benefits would not begin with mass landings or ray-gun equipped aliens. A properly planned and executed invasion by a civilization thousands... of years in advance of us would most likely be complete before a handful of people, say 12?, realize what was happening. No fuss, no mess. The best advice I can give you is this: Next time you see a flying saucer and are awed by its obvious display of technology and gorgeous lights of pure color - RUN LIKE HELL! -- June 3, 1988 Las Vegas, NV"</BLOCKQUOTE><P>

The above is just one excerpt taken from Lear's lengthy 'Press Release' describing recoveries of alien craft and their occupants, accounts which Lear claims to have learned from 'inside' sources. Lear has also stated: <P>

<BLOCKQUOTE>"...In 1983 when the Grand Deception was discovered MJ-12 (which may now be designated 'PI-40') started work on a weapon or some kind of device to contain the EBE's which had by now totally infested our society. This program was funded through SDI which, coincidentally, was initiated at approximately the same date. A frantic effort has been made over the past 4 years by all participants. (The beginning of the "retaliation" projects

apparently began in 1979, when the DULCE and DREAMLAND massacres reportedly occurred - Branton) This program ended in failure in December of 1987. A new program has been conceived but will take about 2 years to develop. In the meantime, it is absolutely essential to MJ-12 (PI-40), that no one, including the Senate, the Congress or the citizens of the United States of America (or anyone else for that matter) become aware of the real circumstances surrounding the UFO cover-up and (the) TOTAL DISASTER it has become."
</BLOCKQUOTE><P>

In their QUARTERLY REPORT, July - September 1990, the 'Fund For UFO Research' (P. O. Box 277., Mount Rainier, MD 20712), related the following:<P>

<BLOCKQUOTE> "Dear Supporter:<P>

"I'm writing to you at a critical time in the history of the UFO movement. The issues contained in this letter are extremely sensitive, and so I would appreciate your confidentiality.<P>

"Because of your support for scientific research into the UFO phenomena, I want to bring you up-to-date on recent events which may result in a resolution of the mystery of Unidentified Flying Objects.<P>

"As you know, there is a great deal of interest currently in

the apparent crash of one or more UFOs in New Mexico over 43 years ago. This event has become the most intensively-investigated -- and best documented -- case in UFO history.<P>

"It came to the public's attention in 1980 with the publication of 'THE ROSWELL INCIDENT' by Charles Berlitz and William Moore. With the capable assistance of veteran UFO investigator and nuclear physicist Stanton Friedman, the authors documented that SOMETHING very unusual crashed in the New Mexico desert in July 1947.<P>

"Friedman and Moore continued to follow up on new leads and uncovered new evidence following publication of the book. During the course of their research, they identified nearly 100 witnesses who had information about the event.<P>

"However, the focus of their investigation changed with the release of apparently authentic documents outlining Operation Majestic Twelve, a TOP SECRET government research project initiated following the Roswell crash. The Fund for UFO Research awarded Mr. Friedman a $16,000 grant to investigate the documents, and his research into the MJ-12 matter inevitably turned up new witnesses in the Roswell event.<P>

"In the meantime, Don Schmitt and Kevin Randle, under the auspices of the Center for UFO Studies, decided to reexamine the Roswell case and managed to bring the number of first-hand

witnesses and sources of information to more than 200..."</BLOCKQUOTE><P>

In the May, 1989 issue of 'Leading Edge' (formerly 'Nevada Aerial Research') it was stated that: "...Information about underground bases at Edwards AFB (CA) are not new. Stories have circulated for years. There was the lady whose mother used to work at the cafeteria who overheard people talking about aliens and disks. The constant stream of construction materials going out to the end of the base, but nothing showed up on the surface. NASA has a large underground base that has been there for years. <P>

"'Tube shuttles take personnel 50 miles to the other end of the base in the Tahachapi mountains. The underground base has been referred to as an underground city. It is even said that there are disks stored in glasslike enclosures under a vacuum to preserve them.'"<P>

What may very well be a confirmation of the above appeared in the Dec. 1990 issue of a publication sent out by 'THE BORDERLAND SCIENCES RESEARCH FOUNDATION', which had for years been under the direction of Riley H. Crabb. The information was in the form of a letter which we quote here:<P>

"...I spent the weekend with a 'recent' Edwards AFB workman

and his wife -- 'recent' because they are both repeat contactees and have become 'unmanageable' as the AFB management puts it. He was fired for blasting a Spybee with spray paint -- which I find funny and as classic as the graffiti on New York subway cars.<P>

"'You did it on purpose,' they told him, and they knew of course, because the Spybees are telepathic (i.e. capable of 'tuning in' to Extremely Low Frequency or 'ELF' electro-encephalographic neuro-brain wave patterns - Branton) as well as camera equipt. They also carry microphones. We were all laughing as he told us how the little spray-painted gold orb, blinded, went bouncing off walls and posts and was quickly withdrawn from its spy mission. He said Spybees are about the size of a basketball. They fly by antigravity all over any 'Above Top Secret' installation. They dart soundlessly everywhere and hover between workers, sometimes programmed to harass the guys for fun, like bumping them in the rear end.<P>

"No person (that) he and his friends knew about there was allowed to say one word to another while on the job. They would test by trying to write to each other in the floor dust. Within two or three strokes a Spybee would whiz around the corner, lock on to and stop above the writing. His last comment was to write and draw a great big 'screw you'.<P>

"His painting work was part of an ONGOING EXCAVATION beneath Edwards AFB on the high DESERT in California. He

and his crew were always blindfolded and strip-searched before transit. They couldn't even have watches. BY TAKING TURNS COUNTING IN THE ELEVATOR GOING TO AND FROM THE WORK SITE, THEY ESTIMATED IT MUST BE SOME 9,000 FEET DOWN, AT LEAST TWO MILES, AND THE TRIP TOOK ABOUT 15 MINUTES.<P>

"Management accused him of doing it on purpose, and they knew... 'No, no. The Spybee kept bumpin the back of my neck while I was sprayin. After one real hard knock I whirled around with the spray gun still goin.'"<P>

"A prominent researcher with us that Saturday evening suggested, after careful questioning of the worker, THAT THE ELEVATOR ITSELF WAS ANTI-GRAVITIC, AS THERE WERE NO CABLES; SO THE ESTIMATED DISTANCE WAS AT BEST MINIMUM. ALL PRESENT CONFIRMED THE GOVERNMENT'S POSSESSION OF PLASMOLE TUNNELING MACHINES WHICH MELT A 50 FOOT HOLE THROUGH SOLID ROCK, AT A RATE OF ABOUT FIVE MILES PER HOUR.<P>

"For part of the night we went 'foo chasing', their term for sightseeking UFOs. Tahachapi (is) where H. Hughes and Northrup Corporations and the USAF have just imported Delta Forces and fleets of black helicopters deployed by the government for top security events coverage. There is no doubt something major going on up there... even that night.<P>

"The researcher and his team were hoping to see the 30-FOOT VERSION OF THE SPYBEES, as there are growing numbers of reports on these. THEY ARE DESIGNED TO FLY OVER YOUR HOUSE CARRYING SURVEILLANCE BEAMS FOR THOUGHT/EMOTION CONTROL AND BEHAVIOR MODIFICATION (Note: Since thoughts and emotions may be to some extent electromagnetic in nature, it may be possible for them to be manipulated by EM rays - Branton).<P>

"...I often see Terra now as in near-final throes of exactly the H.G. Wells scenario where the unwilling and witless 90% of mankind inhabits a play-fantasy world on Earth's surface, while the split-off race of highly technical degenerates (in league with and/or controlled by the serpent race? - Branton), the Trogs, prey on them from underground..." <P>

The following information was sent to us via a researcher who is investigating a continuous abduction of a young (at the time) nine-year-old boy in southern Nevada, who may have been taken to underground levels below that same area. Names, addresses and other details have been deleted on request to protect the privacy of the sources. We quote from a series of notes based on the young boys' experiences, exactly as they were sent to a member of "the Group", with our emphasis added:<P>

<STRONG>1:</STRONG> The 'greys', he says they don't use words but communicate THROUGH him. THEY SHOW THEIR DIS-PLEASURE BY WRINKLING THEIR NOSES AND PURSING THEIR LIPS WITH A SLIGHT HISSING SOUND AT HIM.<P>

<STRONG>2:</STRONG> HE SAYS HE FEELS LIKE HE'S BEING WATCHED WHEREVER HE GOES <EM>(<STRONG>Note:</STRONG> This is a very common observation made by people who claim to have experienced aerial AND/OR subsurface abductions or encounters with non-human aliens - Branton)</EM>.<P>

<STRONG>3:</STRONG> This is what they look like to him <EM>(a drawing was included depicting a traditional 'gray' with a somewhat 'wiry' build - Branton)</EM>.<P>

<STRONG>4:</STRONG> This is what the uniform they wear looks like to him. He says the box in the middle has different colored flashing buttons.<P>

<STRONG>5:</STRONG> This is the large 'boat', A SORT OF FLOATING ISLAND HE WAS BROUGHT TO <EM>(<STRONG>Note:</STRONG> Some aspects of the abduction suggest that the young boy was taken to a large network of water-filled subterranean caverns - Branton)</EM>. THERE WERE MANY 'HYBRIDS' ON IT ALSO.<P>

<STRONG>6:</STRONG> These are the hybrids he sees. He says that they sit in a large circle holding hands. There is one small candle with a

very large flame going. HE SAYS HE IS NOT AFRAID OF THE HYBRIDS.<P>

(<STRONG>Note: </STRONG>These may have been so-called "hu-brids" with a human soul-energy "matrix". These according to different accounts are more or less 'slaves' to the grays and reptoids/ reptons from birth. Many of the women who claim to have been 'impregnated' during abductions and who have had their 'child' removed from them a few months into its term are allegedly carriers to these hybrids or hu-brids, although it is possible that re-brids or 'hybrids' without a soul-matrix (more saurian than human) might be gestated in this manner also. The hu-brids are allegedly taken to underground bases beneath the surface of the earth and/or possibly installations on or below other planetary spheres. The ritual that the hybrids were apparently forced to undertake might be part of a psychic warfare operation against humans that their reptilian overlords are waging. It is interesting that Satanists-Illuminists have been known to gather in a circle and meditate on a candle flame in order to induce a state of astral projection, or projection of the spirit form (some have erroneously referred to is as "soul projection" - the "soul body" however can only separate itself from the physical form at death. - Branton) <P>

"THERE IS A FEMALE (hu-brid - Branton) who BLENDS with him and he says it feels very peaceful and good. When asked if the greys were the only aliens he sees, HE DREW THE

REPTILIAN, THESE ARE THE UNIFORMS ON THEM ALSO.
HE SAYS THE GREYS COME TO GET HIM, BUT THEY
FOLLOW THE LEADERSHIP OF THE REPTILIANS. HE
CALLED IT A LIZARD. HE SAID HE SEES HUMAN BEINGS -
ALIVE - HANGING FROM A WALL WITH NO EYES, OR
MOUTHS LEFT.<P>

"Please share with us your input on how to help this boy. We know what is happening here and we are ready and willing to do anything we have to. Love & Light, sincerely (Names deleted by request)."<P>

The above is not, unfortunately, a singular case. MANY people are now coming forward with stories of alien abuse, or of being abducted to underground 'bases' controlled by small 'grayish' or large 'Reptilian' beings. In previously years most of these people have been terrified at the prospect of telling their stories, for fear of ridicule. Before the 'abduction' phenomena was widely known, many such people who spoke out about alien experiences actually ended up in psychiatric institutions, so there was at that time a definite danger of 'talking' too much about their horrifying encounters. Added to this is the official governmental denial of the phenomena, or even outright attempts to 'silence' those who knew too much for supposed "National Security" reasons (actually it was/is "Establishment Security" they were interested in). However at this point in time when

radio, television and even motion pictures are giving the subject another (this time more respectable and honest) look, many more people are gathering the courage to come forward with reports of abductions by malevolent -- or contacts with benevolent -- 'aliens'. <P>

In the hidden depths of the Nevada Military Complex a battle is raging. Few know just how long it has been going on. Apparently it began several years ago when the Nevada Test Site workers discovered vast subterranean cavities deep underground, "possibly" as a result of the underground nuclear blasts which had artificially excavated huge cavities deep below the surface.<P>

This activity apparently corresponded with the same general time-period when the U.S. Secret Government was making deals with the 'Grays', establishing secret locations such as S-4 to study alien craft that had crashed, and constructing environ-mental enclosures for some of the 'few' alien beings that had been apprehended alive. Much of this activity allegedly took place and is taking place within the extreme high-security areas on and below the Nevada Military Complex. <P>

However, the reports now coming out of the 'Complex' suggest that far more than just a 'few' of the alien grays, and even their reptilian overlords, are involved with the activities taking place in Nevada... more activity than even a few alien survivors of crashed disks could account for. Many accounts have spoken of vast

caverns below the southern Nevada region which 'may' have been the ancient lairs of reptilian hominoids for decades or centuries. All the accounts point to only one possible conclusion: That the Test Site workers broke into the native habitat of these reptilian beings, or a system of caverns which the reptilians had taken control of in the recent or distant past. Possibly in an effort to prevent a unilateral warfare between the two expanding 'worlds', the secret government decided to establish a treaty with the saurian Grays (apparently the Grays tried to convince the human governments that they had "originated" from other-stellar regions -- and that the humans had encountered one of their underground "bases" -- in order to steer the humans clear of the fact that many of them were native to the Terran Subterranea. This may have been a half-lie, as the reptilians do reportedly have ancient facilities that they have established and entrenched on other planetary bodies).<P>

Aside from establishing "treaties" with the extraterrestrial "Grays" that are apparently returning to their native planet, a secret treaty was also made with their counterparts in the so-called 'underground bases'. Most of the 'workers' would not be aware of the alien activity taking place in these extreme lower levels due to the higher security clearances necessary to enter or even KNOW of them. This could explain the confusion which seems to exist, and the comments made by workers, especially within the Nevada Military Complex, that everything is 'way out of control'. <P>

It might also explain the comments made by others 'in the know' who have suggested that the government is in a panic since they have learned that the sauroid 'aliens from other stars' have infiltrated and undermined the surface of the earth without us even knowing it, and that this is why they are in such confusion, why they are rushing head-long to develop weapons such as 'Excalibur' to destroy subterranean alien strongholds, and so on. <P>

In the movie 'THEY LIVE', which depicted an infiltration of human society utilizing underground 'bases' beneath major cities, one of the human resistance' members asks: "How LONG have they been here?" Later he comes to realize... "Maybe they've ALWAYS been here!" Perhaps the reason behind the supposed alien infestation and undermining of the underground systems below the surface of the earth could be explained by the possibility that they have ALWAYS been here, or have been for some time. Do not accounts of reptilian hominoids date back to prehistoric times when the dinosaurs walked the surface of the earth? Keep this possibility in mind when trying to fit the following revelations into your framework of reality. <P>

Is it possible that a subterranean race -- working closely with others of their kind which long ago left the earth for extraterrestrial realms -- is staging (via subversion, implantation, disinformation, coversion, and infiltration) a takeover of human society FROM ABOVE AND BELOW? <P>

One group that is allegedly tied-in with the inner workings of the government-alien interactions and/or conflicts are known as the 'Delta' Forces. The Delta's, some claim, have secretly been recruited by the secret government in order to perform certain functions in relation to the so-called 'joint-interaction' projects involving deep-level government organizations and the 'aliens' (saurian greys, etc.).<P>

At the beginning of the 'interaction', the government was optimistic about their new-found alliance with an apparently benevolent race of non-human beings. When the government finally discovered the true nature of the grays; and the fact that they' were using the 'treaties' with the U.S. government merely as a means to further their infernal plans of bringing the human race under their control, then according to various sources 'all hell broke loose!' The government-CIA in their zeal to establish contact with what they hoped were technological 'saviors' from the stars, had 'bargained away' much of what they had, including much of the sovereignty of the United States and the World. When the 'Horrible Truth' was discovered it was too late, the aliens had already established too much control and their physical and occult conquests were increasing every day. And the Delta's were caught right in the middle.<P>

The Delta Groups (or National Recon Group), wear the 'Trilateral' insignia, a black triangle on a red background. 'Delta'

is also the fourth letter in the Greek alphabet, which has the form of a triangle. The symbol appears prominently in certain Masonic lodges, and is said to have had it's origin with the aliens (or serpent race).<P>

The Delta Forces were the major group who, according to some sources, were involved in the attempted operation that was implemented to rescue several scientists who were being held captive within the deepest levels of the 'Dulce' complex below northwestern New Mexico. These workers had stumbled across the 'Horrible Truth', and according to reports over 66 persons, many of them Delta Forces, were slaughtered by the inhuman inhabitants and controllers of these lower levels. Others allege that Air Force Blue Berets were also involved in this conflict, which was later to become known as the 'Dulce Wars'. Exactly what part the Air Force Blue Berets played, however, is uncertain.<P>

With this in mind, the reader might better understand the following revelations which were released by former Naval Petty Officer and Intelligence worker, William Cooper. On January 10, 1989, Mr. Cooper posted the following statement on a computer network devoted to the investigation of paranormal events:<P>

<BLOCKQUOTE>"The following information was extracted from a rather long treatise/transcript/conversation between an individual and another who was assigned to DELTA SECURITY:<P>

<STRONG>01:</STRONG> Delta security has a lot to do with inter-service projects. <P>

<STRONG>02:</STRONG> The Trilateral insignia (alien) is valid and has been used to mark equipment. <P>

<STRONG>03:</STRONG> 'The whole thing is grim and won't get any better.' <P>

<STRONG>04:</STRONG> The Trilateral insignia has been seen on a disk at Edwards AFB, CA and Area 51 in NV.<P>

<STRONG>05:</STRONG> There is a hanger at Edwards referred to as the Delta Hanger.<P>

<STRONG>06:</STRONG> The Delta Hanger is on the North Base at Edwards.<P>

<STRONG>07:</STRONG> You need a special badge to get near it. It is a red badge with a black triangle on the face of it and personal information on the back.<P>

<STRONG>08:</STRONG> Disk in hanger at Edwards described as having insignia on the underside and on the top. It was about 50' in diameter, appearing like tarnished silver, about 15 to 18 feet thick. There were what looked like windows around the raised portion that were mostly described as rectangular. There was a groove around the disk about 4 feet from the edge all the way around. There was an area on the bottom that looked like vents or

louvers.<P>

<STRONG>09:</STRONG> When people assigned to Delta would break down and cry for no apparent reason, you would never see them again.<P>

<STRONG>10:</STRONG> Apparently, the NRO (National Recon Organization) recruits for DELTA out of Fort Carson, Colorado.<P>

<STRONG>11:</STRONG> Just about everyone assigned to DELTA are orphans, have no relatives, etc.<P>

<STRONG>12:</STRONG> There are 'bounty hunters' connected with Dreamland.<P>

<STRONG>13:</STRONG> If you work at Dreamland and go on leave or are not back on time they send 'bounty hunters' after you. That's where the 'visitors' live...there is an underground facility...<P>

<STRONG>14:</STRONG> Area 51 is at Groom Lake in Nevada. The disks are flown there.<P>

<STRONG>15:</STRONG> One of the craft looked like an upside-down diamond.<P>

<STRONG>16:</STRONG> There is a radiation hazard apparent when some of the craft fly.<P>

<STRONG>17:</STRONG> No one stays at Dreamland for more than a few months.<P>

<STRONG>18:</STRONG> 'Everything is way out of control...'" (no longer under

'human' control? - Branton)<P></BLOCKQUOTE>

The following conversation, in relation to the Nevada Military Complex and the 'underground facilities', took place on the "Billy Goodman Happening" - KVEG Radio 840 AM, Las Vegas, Nevada, on November 19, 1989. It was transcribed by a Las Vegas resident.<P>

Billy Goodman incidentally, has personally planned visits, in collaboration with KNBC Radio in Los Angeles, to observe the 'disks' which are being tested at Groom Lake. Goodman and others claimed to have seen these disks in operation, and back up these claims with video documentation. One such video shows a hovering object making a vertical ascent, stop in mid-air, make a horizontal traverse, followed by another vertical ascent. Something like this would be impossible for any conventionally known aircraft of the time to duplicate. Billy Goodman, who has since moved to another radio station in Los Angeles, has been very instrumental in getting the information out about the underground base at Site 51 (or Area-51, the 'underground facility' where the 'visitors' live, according to Bill Cooper's source whom we've just quoted). In the following annotated transcript, the caller will be identified as 'C' and Billy Goodman as 'G':<P>

<STRONG>G:</STRONG> Hi! Your on the Billy Goodman Happening on KVEG! Sir, what can I do for you tonight?

<STRONG>C:</STRONG> O.K. Are you ready? Hang on to your seats! Here goes! We are going 3,000 feet underground! O.K. We get to that point, 3,000 feet. We come out into a stainless steel atmosphere... and we come upon people that are ah... construction people... working people, and so forth that are supposed to be in that area. Then we come upon another people who push us into another little room. They tell us, "Do not come out of that area, until your told to." These guys are 6 minute marines, all right? They tell us, "If you do, you are going to get hurt!" OK? So we are construction workers!

<STRONG>G:</STRONG> Where are you working? Where is what you are describing to us.

<STRONG>C:</STRONG> On a certain test site!

<STRONG>G:</STRONG> A certain test site! Which one? You can't reveal which one?

<STRONG>C:</STRONG> We're kinda mixed up! We don't know what the hell is going on. We're making ah... good bucks... and everything has come down on us... and they are hurting us! OK? So we are contractors! We are workers! OK? So there's a person that I called and explained what is happening to me and they told me to call you and tell you! So, that is what I am doing right now! Calling you!

<STRONG>G:</STRONG> You presented it in a very odd way! First of all I

didn't
know if you were going to be serious or what! Are you saying
to me that you are a construction worker and you had to go
3,000 feet under ground? First of all what would you be doing
underground? Let me ask you that!

<STRONG>C:</STRONG> We are running lights and power.

<STRONG>G:</STRONG> And who assigned you this job?

<STRONG>C:</STRONG> It's through Reynold's Electronics. I have to say that because I get my pay check from someone else! <EM>(<STRONG>Note:</STRONG> Reynold's Electronics is a branch of "E.G. & G." Corporation which DOES IN FACT work with and contract through the Nevada and Utah Test Sites - Branton)</EM>

<B>G:</B> They tell you to put these lights underground?

<b>C:</B> Yeh, but there's more to it than that! I'm sortof afraid of expressing. Am I talking to you or what?

<B>G:</B> Yes, you are talking directly to me!

<b>C:</B> OK. You know some of the things that are happening, shouldn't be. It should be made public! The public should know what the hell is going on! And it scares the hell out of me. What is not being brought out you know? For example, can I give you an example? Here's an example! A few weeks back we were inside a certain cavern going through stainless steel halls, going north, and as we move along we are hanging lights. In the rooms are... they're like operating rooms. All of a sudden, off the elevator, our U.S. Marines come out, crash us down off our scaffold, pushing us down, and then into a room. This is taking a hell of a lot out of me to tell you this right now! The bosses

come into the room and we're getting debriefed and all this kind of stuff and all of a sudden they are carrying fixed bayonets. Now I fought in Vietnam and I thought these guys were my buddies! Oh, no way! Forget it! These guys are from outer space! <EM>(<STRONG>Note:</STRONG> There is a slight possibility that the 'soldiers' which this man encountered were not 'human' marines, but we will deal with this bizarre possibility later on - Branton)</EM> These people brought these little characters on gurneys, OK? They had big heads and little bodies and they went into this little room. Then, behind them, these doctors in white coats and stuff! And we was really at ah... we didn't know what the hell was going on! We were shocked to hell! ...I was SCARED man!

<B>G:</B> Well, sure you didn't know what was going on and didn't expect it! I guess them handling you upset you first of all. Being man to man, you thought why should you treat me this way! And that's to be expected. As far as knowing where you are I have no idea.

<b>C:</B> I know where I was! I worked there every day! I keep a log and if someone asks me I know what's going on! I'm telling you man they're not telling us the truth. There is something damn wrong within our government. I only got a glimpse of this scientist on television <EM>(i.e. most likely referring to Robert Lazar - Branton)</EM>, but I know he's not telling much of what he knows. I'm just a worker. A hammer and nail man. This guy's got more brains than I do, and would know more about it than I do. There's something INSIDE they aren't telling us!

<B>G:</B>OK. I understand that! Now what do you want us to do

about it?

<b>C:</B> EXPOSE IT!!!

<B>G:</B> I think you've done that yourself, just now! Now you haven't told us your location and I think that's important so we have some idea where this is. I hope you understand at this moment...

<b>C:</B> I work at Mercury, Nevada and I'm the best electrician there. This is between you and me now. I don't want anybody else to know about this!

<B>G:</B> But your on the air Sir!

<b>C:</B> You mean somebody knows about this besides you and me?

<B>G:</B> But you are talking over the radio, Sir! Everybody, all over the West Coast that is listening has just heard you! So you've gotten your word out. Now let's see if anybody else knows about it. Maybe just maybe, we'll get some calls from some of the people that work with you.

<b>C:</B> Wait a minute! You mean somebody else knows about this beside you and me?

<B>G:</B> Now, this is a talk show, you called a talk show. I am over the radio - that's where you called!

<b>C:</B> OH, MY GOD!!!

<B>G:</B> Why, what's wrong with that? You called a talk show!

<b>C:</B> I thought I was just talking to you!

<B>G:</B> Now you said someone told you to call me. Was it someone you work with?

<b>C:</B> Yes.

<B>G:</B> Nobody knows who you are. You haven't said your name or anything! Now, let's see if anyone will back up your story!

<b>C:</B> But I didn't know other people would hear this. Now I'm scared for my life! There's tremendous stuff out there that's being hidden. It's being corrupted inside. It's being stashed away.

<B>G:</B> Well that's what we do here. We are trying to bring the information out, and it's people like yourself who are making that happen. They bring us information all the time! Are you trying to bring the information out yourself because you don't like what's going on?

<b>C:</B> I fear for my life because I've seen what happened. I fear for my life because the government is lying to me.

<B>G:</B> OK. Why do you fear for your life? Have you been threatened?

<b>C:</B> Before you even go down in the pit they threaten you! That is you tell anything of what you saw, you are dead!!!

<B>G:</B> But you're not saying more than what you saw. Is there anything else you want to say before we say thank you for calling?

<b>C:</B> Yes, one other thing. Whenever it gets down to the nitty gritty, it will be clear to the people, that what they are seeing on the news, is true! We've got six little bodies under ground, man!!!

<B>G:</B> Please keep in touch, OK? (end of transcript) <p>

The reference to Reynold's Electrical, by the way, may be

explained more fully in it's connection with E.G. & G., from the following reference which we quote, from an article that appeared in a newspaper called the REVIEW-JOURNAL, January 9th, 1990. This Associated Press article stated:<p>

"Three Nevada-based EG&G companies employ most of the workers at the Nevada TEST SITE, the nations' nuclear proving grounds 65 miles northwest of Las Vegas.<p>

"The companies employ 8,000 people: 1,500 at EG&G Energy Measurements Inc.; 1,000 at EG&G Special Projects; and 5,500 at Reynolds Electrical and Engineering Co."<p>

Actually, present officials working at the Nevada Test Site are apparently, at least for the most part, refusing the advice of the FOUNDER of EG&G., Herald 'Doc' Edgerton, who once made the following statement at a meeting of the Archaeological Society of America:<p>

"Work like hell, TELL EVERYONE EVERYTHING YOU KNOW, close a deal with a handshake, and have fun." Edgerton apparently was no supporter of 'official secrecy', yet many of those now involved in this company are being threatened to remain silent to the point of endangering their very lives if they speak out about what they have seen. Incidentally, Robert Lazar was hired by EG&G himself to work at the S-4 installation at

Groom Lake. In fact, we will now relate another conversation which took place on the "Billy Goodman Happening" almost a week following the conversation which is recorded above. There are apparently SOME EMPLOYEES working at the Nevada Test Site, who ARE speaking out about what is going on there, like the one who called in to the Billy Goodman show on Nov. 24, 1989, possibly in response to the caller from Mercury, Nevada mentioned earlier, as well as in response to Bob Lazar's own experiences.<p>

The person who transcribed this particular taped program indicated that they had missed the first 15 seconds or so of the callers conversation. This is NOT the same caller whose conversation we just described. In the following transcript, (C:) indicates 'Caller'; (G:) indicates Billy 'Goodman'; and (L.:) refers to Bob 'Lazar', who was Goodman's guest for that evening. Beginning with the 'Caller':<p>

<B>C:</B> ...Well, we're kinda fed up with what's going on, right! And I mean nothing gets done without the ants! We are the ants! We are the construction workers, O.K.? We put things together and take them apart! You are the scientists <I>(referring here to Robert Lazar - Branton)</I>. You do all the higher level of knowledge stuff, right? We do all the putting in this and putting in that: installing, construction and so forth! Well we heard about your situation, and it's going through a whole bunch of grape vines,

O.K? It's coming together where people are meeting in small groups and they're trying to organize a support for you to back you up! Out of the meeting we had yesterday of 7 people, counting myself there are two that will come forward and support you! What they SAW, what they are INVOLVED WITH! The other guys are just scared to death and I'm a little scared myself, you know!

<STRONG>L.:</STRONG> Do these people work in area S-4?

<STRONG>C:</STRONG> Yeh, all over the area!

<STRONG>L.:</STRONG> That would be great!

<STRONG>C:</STRONG> Mostly UNDERGROUND! The deep sections of the area! The whole thing!

<STRONG>G:</STRONG> How do you feel Bob? Sounds like you are getting some support!

<STRONG>L.:</STRONG>Yea, that's great! There's power in numbers!

<STRONG>C:</STRONG> We are trying to get things where it will be safe! You know what I mean Bob?

<STRONG>L.:</STRONG>Oh yeh, I do!

<STRONG>C:</STRONG> It's kinda hard to talk to you like this you know but the guys are for you! People are for you and everybody's wanted to do something a long time ago but nobody knew what they could do.

<STRONG>L.:</STRONG> Yeh, that was the consensus when I was down there! Everybody wanted to do something. I'm glad everyone has that

attitude!

<STRONG>C:</STRONG> Yeh, you are probably the beginning of the first motion

of the wheel you know! The first turn! The wheel is gonna

turn faster and faster in order to get where we want to get to!

<STRONG>L.:</STRONG>Well hopefully that will be the case! Do you think

these people would come forward if there was some sort of

congressional amnesty for them?

<STRONG>C:</STRONG> I don't know but we all know a lot! We know our jobs

well, like you do!

<STRONG>L.:</STRONG>I'm sure you do.

<STRONG>C:</STRONG> What we have to do is be firm about it, get to the point

and say, "Hey, here's what's happening!" Why don't you tell the

people what's happening? Why keep it a secret? Like before

you walk into those hangers there. Somebody had to install this

and install that! It's frightening. It scared the heck out of me.

We got together out at Lathrup Wells and kicked it around. We

B.S.'ed a little bit and said, "We gotta do something!" SO WE

DID SOMETHING YESTERDAY. Like I said: there's only two of

the seven of us who are willing to do something.

<STRONG>G:</STRONG>Sir, Sir! Is there anything we can do to help you in this

matter? Is there anything the listening people can do? I know

they are behind Bob Lazar 100%. I had him on here one night

and there hasn't been one person by either mail, or by telephone,

who has disputed what he has said! So they are behind him. Is

there anything we can do?

<STRONG>C:</STRONG> Well you could form some kind of walk or picket! Or announce it on the street. Tell them we want to know! WE WANT TO KNOW!!!

<STRONG>G:</STRONG>When you say on the street, are you talking about downtown Las Vegas?

<STRONG>C:</STRONG> YES!

<STRONG>G:</STRONG>What do you think of that Bob? Do you think that would do anything?

<STRONG>L.:</STRONG>Certainly if these people come forward! They have a LOT to lose, if people start making a ruckus like that! They could lose their jobs right away! They talked about there being a ten year jail term and a $10,000 fine for divulging information like that! I mean they have a lot to lose! You might...

<STRONG>G:</STRONG>But you know something Bob? It's almost like...

<STRONG>C:</STRONG> We have the first amendment on our side!

<STRONG>L.:</STRONG>Yeh, you do but... have you thought about contact(ing) George Knapp? (of KLAS-TV, Las Vegas, who produced an entire series of UFO-based documentaries after Lazar came forward with his story - Branton) He's looking for anybody that is coming forward from S-4, and any surrounding areas having knowledge at all about that area or any of the flying saucer information! He's gathering all he can and doing alot to try and expose it!

<STRONG>G:</STRONG>You might want to contact George! That might be a good idea! But I think there's another side to this. It's almost like they're not concerned any more about their jobs. They're more concerned about the Constitution! They're more concerned about Humanity! That's the impression I get!

<STRONG>L.:</STRONG>Yeh, you get that point but you have to feed yourself too!

<STRONG>G:</STRONG>Well you know, there are people that take chances in life, and sometimes they wind up with something better. Later on... down the line. You know what I'm saying? Someone like yourself. I'm not saying this would happen by coming forward, taking a chance, and all of a sudden, say, the government cut you off. You might get an offer for a better position. You follow what I'm saying? Because there are people who own the businesses that believe the way you believe. And I believe this! I hear this gentleman talking and it's happening more and more. There are people out there who would LOVE to come forward with information.

<STRONG>C:</STRONG> But somebody has to start it.

<STRONG>G:</STRONG>Right. And I think you've done that Bob! You started the ball rolling. I know you did. I think what is going to happen is the people who have been wanting to say something; this might be a relief for them. It's coming out and they won't have to keep it inside any more!

<STRONG>L.:</STRONG>That was the general consensus when I was out there.

<STRONG>G:</STRONG>Well obviously they want out too. They want to tell the truth.

<STRONG>C:</STRONG> Bob, did you have any work underground? IN THE TUNNELS?

<STRONG>L.:</STRONG>No! I have a friend whose dad worked on some of the drilling equipment! I know there's some tunnels down there!

<STRONG>C:</STRONG> There's more than just tunnels down there! There's

everything you can imagine down there. I know cause we put it up!!! We installed. We did everything. I just want you to know that the M.W.s (Mercury Workers) are gathering together in small groups trying to put something together for you and contact you somehow to join you. If the people want to join us in a march or whatever it's going to be, that's what we're going to do!

<STRONG>L.:</STRONG>Oh! That's super!

<STRONG>C:</STRONG> So we're with you man!

<STRONG>G:</STRONG>Thanks for the call sir! Have a nice night. Bob, it sounds as though people are starting to come forward. (end of transcript)
<P>

Still on the subject of the strange events taking place in (and beneath) southern Nevada, we quote here part of a letter written by a subscriber to N.A.R. (Nevada Aerial Research - now Leading Edge Research), who made the following statements: <P>

"...Bob Lazar, the scientist, was talking about riding in a bus with the windows blacked out and it brought back something an airline stewardess told me last summer (1989). She said, 'I'm trying to relocate to another part of the country right now. Once a week, I'm assigned to a flight that I hate! We only have Armed Forces officers on THIS flight. Before we take off, we are instructed to pull the window covers over the windows! After we take off, we circle widely, about 15 minutes (it would be unnoticeable to most people) - fly straight for 15 minutes, circle again about 15 minutes and then land. After we land the flight

crew is ushered into a lounge. A half hour later we repeat the process back to Las Vegas. The people are all different on the return trip. We are told, 'Don't tell anyone about these flights!' I just can't stand the tension on this flight!' <EM>(<STRONG>Note:</STRONG> just what did she mean when she says the "people are different" on the return flight -- different people or the same people with different personalities? - Branton)</EM><P>

"I think these trips are to Groom Lake!<P>

"The jets are still swarming over the Blue Diamond area. It's VERY odd. I know in my heart that it's more than just practice flights!<P>

"Something else very odd: (I think this might have something to do with the tunnels). The apartment complex where I work (fourplexes - 450 of them)... Two or three days ago the manager asked the maintenance men if any of them were doing any work in ONE of the buildings. Everybody said no. She said ALL 4 APARTMENTS in that building had called her and said that an explosion knocked all the pictures off their walls and broke them. No one else, from any other building felt anything. The man I said who saw the landing at Holloman beat a path to me to tell me about this. ...A Las Vegas subscriber."<P>

In addition to this, here is another item which appeared in one of the NAR newsletters: "On November 25th (1990), television station Channel 8 in Las Vegas televised a two hour special on UFOs, Area 51, S-4 and the UFO coverup. It is revealed that some of the people who contacted Channel 8 had had their homes broken into in Las Vegas..." (could channel 8 have an "infiltrator" working among them? - Branton) <P>

Also, the following information appeared in the NAR Newsletter, under the heading: "INTELLIGENCE REPORT" (also in reference to the UFO-Military connection):<P>

"NRO - National Recon Organization: Based at Fort Carson, Colorado. Responsible for all alien or alien craft connected projects. Use unmarked black helicopters.<P>

"DELTA - Security teams from NRO specially trained to provide tasked PROJECTS/LUNA security (MEN IN BLACK). This project is ongoing.<P>

"BLUE TEAM - The first project responsible for reaction/ recovery of downed/crashed alien craft and/or aliens. This was an AF Material Command project.<P>

"UFO sightings of craft accompanied by black helicopters are REDLIGHT assets that originate at Groom Lake (Dreamland),

Area 51 north of Las Vegas.<P>

"...PROJECTS: BLUE TEAM, SIGN, GRUDGE, AQUARIUS, SIGNA, PLUTO, SNOWBIRD, LUNA, GABRIEL, EXCALIBUR (1988)... (Note: These are some of the 'secret projects' allegedly relating to the U.S. Government's interaction with the UFO phenomena. Further details on these projects are available from Leading Edge Research., P.O. Box 481-MU58., Yelm, WA 98597. Although L.E.R. carries much documentable information from very reliable sources, the reader should be warned that they also carry some 'occult channeled' information which may be of an extremely dubious nature, information that CANNOT be physically substantiated. But the 'documentation' it does carry is extensive and very well compiled - Branton). <P>

The 'INTELLIGENCE REPORT' segment in NAR-LER also revealed the following information concerning former Naval Officer Bill Cooper:<P>

"Bill Cooper recently received some strange phone calls in which the following statements were made by the caller:<P>

"'I called to tell you that you are wrong about the alien base. LUNA is the name of the base on the far side of the moon. The earth base is called Dreamland.<P>

"'You are in over your head. Would you like to end up in an

asylum? If you continue your activities you will meet me sooner than you think. You should know who I am.'<P>

"Bill Cooper has some comments. We will print them:<P>

<BLOCKQUOTE>"'When I released PUBLIC 02.DOC (release of info on computer bulletin board) my purpose was to expose the documents and information released by William Moore et al as being fraudulent and misleading. MAJESTIC TWELVE is an advisory team of scientists who's only purpose is to evaluate information and make recommendations. The information gathered by the control group MAJI is released to MAJESTIC TWELVE when study is needed. MAJESTIC TWELVE has never been the whole truth. MAJI is the MAJESTIC AGENCY FOR JOINT INTELLIGENCE and has total control of information and interface with the aliens in dealings with the United States government. Some of the documents released by Moore were changed from the original with the deliberate intent to mislead UFO researchers. I believe that the government is behind the whole thing. The rest of the documents are deliberate frauds. MAJIC is the highest security classification in the nation...'" (Other 'Above Top Secret' security classifications reportedly include the "Q", "E", "MJ" and "ULTRA" classifications - Branton) </BLOCKQUOTE><P>

The following information from William F. Hamilton III appeared

in "UFO UNIVERSE" and describes further details on the 'Yellow Fruit' account, including claims which YF made over the air during the few 'interviews' in which he took part on KVEG Radio's Billy Goodman talk show:<P>

<BLOCKQUOTE> "...Yellow Fruit revealed that A CONFLICT WAS GOING ON BETWEEN THE BENEVOLENT ONES and THE EBE's and that now the benevolent ones had gained the upper hand at Dreamland where he said a contingent of 37 benevolent ones were stationed and where 3 EBE's were held in captivity.<P>

"Bizarre! Science Fiction? Yellow Fruit knew a lot about the test site area. I resolved to go to the location he gave of the EBE installation in Deep Springs, California and then on to visit Pat at the Rachel Bar & Grill to make contact with Yellow Fruit (the name for the first level of security force at Area 51 and also the name of an old Army-CIA unit). The second level of security he called 'Sea Spray' and intimated that you would have an encounter of the unpleasant kind if you ever met with them.<P>

"Callers to the Billy Goodman Radio Happening had already organized trips to mile-marker 29 1/2 on highway 375 where a dirt road left the highway to intersect the road to Dreamland. There was a heavy black mail box on this road which identified it. I got to Rachel early one October morning and left my card with Pat at Rachel's Bar and Grill to pass on to Yellow Fruit. She knew him by sight. I then inspected the dirt roads where people stood

to observe the test flights. I had already interviewed four witnesses by phone who testified that they had seen UFOs over the Groom Mountains on certain nights in the same area they were seen by John Lear. I made a second trip to the area in late October where a public group visited Rachel and that is when I saw the mysterious Yellow Fruit in the cafe. He later called me on the phone. I left him with a copy of my book, 'Alien Magic' and he remarked on the research I had done concerning the search for underground bases. <P>

"According to Yellow Fruit and others there are underground bases and tunnels that conceal the activities of the aliens and secret government projects..."
</BLOCKQUOTE> <P>

The following is an excerpt from an article which appeared in a UFO-related publication. We do not know exactly who the author of the article is, but we relate the excerpt as it was sent to us:<P>

"...Lear directed my attention to a large map of Nevada, which delineates all the areas which civilian maps coyly leave as uncharted military preserves. 'Right in the very center is a place called Area 51. It is our most secret complex. There are 1900 people there -- it takes presidential clearance to work there -- and they're ferried in by aircraft in the morning and taken out about 5 o'clock in the evening. They have nothing to do with the

saucers. The people who work on the saucers go up later in the afternoon, and go home about midnight. The saucer facility is called S-4.' S-4 is in the southwest corner of Area 51.<P>

"Unfortunately, this facility -- and a similar set-up near Dulce, New Mexico -- may now belong to forces not loyal to the U.S. Government, or even the human race. 'It's horrifying for us to think that all the scientists we think are working for us are actually controlled by the aliens.'<P>

"Here, Lear seems to contradict himself. He speaks of 'aliens,' plural, in a controlling capacity, whereas previously he noted but one survivor, kept as captive. He resolves this conflict by describing an alleged landing at Holloman Air Force Base on April 24, 1964 -- our first 'diplomatic contact,' as it were, with the visitors (Note: In addition, this writer does not take into account the apparent SUBTERRANEAN connection and origin of many of the 'alien' beings, which has been alleged by many sources and which WOULD explain the large alien influence or presence in Nevada and elsewhere - Branton). According to Lear and other sources, the 1973 Robert Emenegger documentary 'UFOS: PAST, PRESENT AND FUTURE' presented a thinly-fictionalized version of this event; government contacts allegedly provided the film-makers actual footage of the meeting, which, alas, was withdrawn at the last moment for as-yet un-specified reasons.<P>

"'A deal was made with them in the latter part of the 1960s (Note: As we've indicated earlier, this might have been a 'revisioning' of an earlier treaty, as certain sources claim that these treaties go back to the 1930's, if not earlier. Some of those involved in this 'deal' may have had good intentions, since the Grays presented themselves as evolved 'space brothers' who only wanted to help us. John Lear even alleged that huge underground bases were constructed with the 'help' of the Grays, yet when completed, the Grays did an about face and took control of not only the lower levels of these bases but also the mechanisms which were supposedly given to the government as part of the 'deal'. This is about the time that the 'wars' began within the subterranean system itself, near the time when the so-called 'Grand Deception' of the aliens was discovered - Branton). <P>

"'In exchange for technology, we would cover up the existence of the aliens.' Apparently this agreement -- engineered by an arm of government so covert that even the President may not be on the 'need to know' list -- also sanctioned the abduction of humans, which the aliens rationalized as an ongoing monitoring of a developing civilization. We asked only for a list of the abductees.<P>

"In 1973, the deal soured. 'Hundreds of people -- thousands -- were being abducted that weren't on the list. In 1978-79, there was an altercation between us and the aliens, in which they killed 44 of our top scientists, and a number of Delta forces who were trying to free them. I'm not sure where this altercation occurred

-- it could have been Dulce (probably Dulce, as the term 'Dulce Wars' -- which has been referred to by different sources -- would seem to indicate. Also, there is some confusion as to the "66" and "44" numbers. Paul Bennewitz says that 66 Special Forces were killed in an attempt to set free some of our scientists from the "aliens" that had taken them captive, whereas 44 escaped. Whether the 44 were storm-troopers or scientists is uncertain, although most sources state that the scientist did NOT make it out alive. Bennewitz claims that the "44" did not die but escaped instead. Since some report that the scientists were NOT set free it may have been that 100 special forces were sent in -- 66 of them being killed in the attempt and 44 escaping the alien counter-attack - Branton), or it could have occurred in Groom Lake (Robert Lazar has stated that a similar confrontation between the aliens and human Security DID occur in the bases below Groom Lake - Branton.) This battle, Lear claims, left us bereft of our own facilities; ever since, we have attempted to create a counterforce to meet the alien challenge." (In other words, the 'aliens' invaded and took control of the underground bases -- probably from BELOW -- and killed many of the TOP SCIENTISTS in America, destroying much of 'our' ability to defend ourselves, at least technically, from their ongoing incursions - Branton)<P>

"...The Strategic Defense Initiative was one such scheme. 'SDI, regardless of what you hear, was completed two years ago; that was to shoot down incoming saucers. The mistake was that

we thought they were coming inbound - in fact, they're already here. They're in underground bases all over the place.' It seems that the aliens had constructed many such bases without our knowledge, where they conduct heinous genetic experiments on animals, human beings, and 'improvised' creatures of their own devising.'"<P>

The following information was released by Leading Edge Research and describes some additional details concerning the serpent race/greys based upon the findings of several researchers who have pooled their investigations in order to find out more about this apparent enemy or nemesis to humankind. The following scenario emerged from this cooperative effort (emphasis ours - Branton):<P>

"NOTES ON ALF (Alien Life Forms): Term used by the government to describe the Greys in terms of being a MALEVOLENT life form. The deal with the Greys is that their field around their body is different (from) ours to the point where merging of the fields ends up creating physical symptoms (the 'body terror' mentioned by people like Whitley Strieber). The field around them is in direct opposition to ours. IT IS AN ANTI-LIFE FIELD... THEY ARE EXPERTS OF MANIPULATION OF BOTH THE HUMAN BODY (THROUGH MANIPULATION OF THE FIELDS) AND THE HUMAN MIND. THEY REQUIRE BLOOD AND OTHER BIOLOGICAL FLUIDS to survive. THEY ABDUCT

HUMANS AND ANIMALS IN ORDER TO ACQUIRE THESE FLUIDS (VAMPIRIAL in nature - Branton). They implant small devices in the brain which potentially GIVES THEM TOTAL CONTROL AND MONITORING CAPABILITY. These devices are very difficult to detect. The analysis of the devices by technical staff has produced a description that involves use of crystalline technology combined with molecular circuitry and these ride on the resonant emissions of the brain and the various fields of the human (body). Information is entrained on the brain waves. It appears that all attempts to remove the implants (1972) have resulted in the death of the human. They perform surgery and other operations on human subjects. These abductions continue to be an ongoing matter. A list of abductees is provided periodically to MAJI, although IT IS KNOWN THAT MANY MORE ARE ABDUCTED THAN ARE REPORTED... Various descriptions of the ALF's relate the following characteristics: Between 3 to 5 feet in height, erect standing biped, small thin build, head larger than humans, absence of auditory lobes (external), absence of body hair, large... eyes (slanted approximately 35 degrees) WHICH ARE OPAQUE BLACK WITH VERTICAL SLIT PUPILS, ARMS RESEMBLING PRAYING MANTIS (normal attitude) which reach to the knees, long hands with small palm, CLAW-LIKE FINGERS (various number of digits - often two short digits and two long, but some species have three or four fingers), tough gray skin WHICH IS REPTILIAN IN TEXTURE, small feet WITH FOUR SMALL CLAW-LIKE TOES... a non-functioning digestive system; TWO SEPARATE BRAINS; movement is deliberate, slow and

precise; ALIEN SUBSTANCE REQUIRES THAT THEY MUST HAVE HUMAN BLOOD AND OTHER BIOLOGICAL SUB-STANCES to survive. In extreme circumstances they can subsist on other (cattle, etc.) animal fluids. Food is converted to energy by Chlorophyll, by a photosynthetic process (this supports results gained from autopsies at 29 Palms underground base where it was seen that their 'blood' was greenish and the tissue was black). Waste products are secreted through the skin. The two separate brains are separated by mid-cranial lateral bone (anterior and posterior brain). There is no apparent connection between the two (could one be an 'individual' brain while the other works as part of a 'collective consciousness'? - Branton). Some autopsies have revealed a crystalline network which is thought to have a function in telepathic (and other) functions which help to maintain the group consciousness between members of the same species. Functions of group consciousness in this species does have a disadvantage in that decisions in this species comes rather slowly as the matter at hand filters through the group awareness of those who must make the decision..."<P>

The above description fits almost perfectly with the description of the 'UFO occupants' witnessed by police officer/patrolman Herb Shermer. Shermer described these creatures which he swore he encountered outside of Ashland, Nebraska, shortly after midnight on December 3rd, 1967:<P>

"...They were from 4 1/2 to 5 1/2 feet tall. Their uniforms were silver-gray, very shiny. Their suits came up around their heads like a pilot's cap. On the right side of their helmet's they had a small antenna, just above where the ear would be. Their chests were bigger than ours, they were built very wiry and muscular. Their eyes were the one thing I will never forget... THE PUPIL WENT UP AND DOWN LIKE A SLIT. When they looked at me they stared straight into my eyes. They didn't blink. It was REAL uncomfortable. Their noses were flat, their mouths looked more like a slit than a regular mouth..."<P>

The fact that the pupils of the creatures encountered by Shermer were 'slit-like' would indicate that the creatures were most likely reptilian-saurian in nature, as most snakes and lizards, etc., have vertical-slit pupils. The reptilian connection which we make with the creatures encountered by officer Shermer is not based solely on his testimony alone, but on the other testimonies of various persons who have also encountered creatures similar to the ones just described. Many of these accounts give a more definite link -- between the ancient reptilian-saurian race which disappeared from the surface of this planet ages ago -- and the non-human UFOnauts encountered by literally tens of thousands of individuals the world over.<P>

QUEST INTERNATIONAL (c/o 15, Pichard Court., Temple Newsam., Leeds, L515 9AY., ENGLAND U.K.), a major British

UFO research organization consisting mainly of retired Police, Security and Military personnel, is presently investigating what may well be the most documentable case of the crash-retrieval of an unidentified flying disk to date.<P>

On the 7th of May, 1989, NORAD installations allegedly tracked an unidentified object as it entered African air-space. The South African Air Force is also said to have tracked the craft by radar, traveling at a calculated speed of 5746 nautical miles per hour. The incident was related by a South African Intelligence Worker, who along with documentation of his military position, also sent secret files and transcripts to two QUEST INTERNATIONAL investigators, Tony Dodd and Henry Azadehdel, telling of the event. Also, several RECORDED telephone conversations with high-ranking military and government officials were obtained which strongly suggest that 'something' did in fact happen over South African terrain. Some of these recorded conversations involved military officials in South Africa who strongly reprimand the intelligence-worker-turned-informer over the phone. This was due to the fact that the informer had left South Africa for Britain, where he stayed at the house of the researchers, and then later went into hiding.<P>

QUEST INTERNATIONAL director Graham W. Birdsall has stated that the documentation and the individuals involved in the incident are of such a nature that the event must have taken place, or the International Intelligence Community is collectively

perpetrating a hoax of incredible magnitude concerning a crashed and recovered flying disk. Birdsall strongly suspects that the incidents did take place, due to the weight of evidence. Following is part of a word-for-word transcript given to the researchers by the informant, which he alleged was taken from the actual top secret report of the initial tracking of the object:<P>

"...The object entered South African air space at 13.52 GMT. Radio contact was attempted with object, but all communications proved futile. As a result two armed Mirage fighters were scrambled. A short time later the object suddenly changed course at great speed which would have been impossible for conventional aircraft to duplicate.<P>

"At 13.59 GMT, Squadron Leader ----- the pilot of the fighter reported that they had radar and visual confirmation of the object. The order was given to arm and fire the experimental aircraft-mounted Thor 2 laser cannon. This was done.<P>

"Squadron leader ----- reported that several blinding flashes emitted from the object which had started wavering whilst heading in a northerly direction. At 14.02 it was reported that the object was decreasing altitude at a rate of 3000 feet per minute. Then at speed it dived at an angle of 25 degrees and impacted in desert terrain 80 miles north of the South African border with Botswana, identified as the central Kalahari desert. Squadron leader ----- was instructed to circle the area until a

retrieval team arrived. A team of Air Force Intelligence Officers, together with medical and technical staff were promptly taken to the area of impact for Investigation and retrieval. The findings were as follows:<P>

<STRONG>1)</STRONG> a crater 150 meters in diameter and 12 meters in depth.

<STRONG>2)</STRONG> A silver coloured disk shaped object 45 degrees embedded inside of crater.

<STRONG>3)</STRONG> Around the object sand and rocks were fused together by the intense heat.

<STRONG>4)</STRONG> An intense magnetic and radio-active environment around the object resulted in electronic failure of air force equipment (causing the crash of one Air Force helicopter).

<STRONG>5)</STRONG> The object was eventually moved to an Air Force Base for further investigation.

<STRONG>6)</STRONG> The terrain of impact was filled with sand and rubble to disguise all evidence of the event having taken place..."<P>

The report indicated that a hydraulic type landing gear was fully deployed, suggesting that electronic malfunction had caused the object to crash, probably due to the Thor 2 laser cannon having been fired at the craft. While the team observed the object at the Air Force Base a loud sound was heard. It was then noted that a hatch on the lower side of the craft had opened slightly and appeared to be stuck. This opening was later forced

with the use of hydraulic pressure equipment, at which point two humanoid entities in tight fitting grey suits emerged and were promptly apprehended. The report stated that the entities were of the following description (emphasis ours - Branton):<P>

"HEIGHT: 4-5.5 ft.; COMPLEXION: Greyish blue - skin texture smooth, extremely resilient; HAIR: Totally devoid of any bodily hair; HEAD: Oversize in relation to human proportions. Raised cranium with dark blue markings around head; FACE: Prominent cheek bones; EYES: Large and slanted upwards towards side of face. NO pupils seen; NOSE: Small consisting of two nostrils; MOUTH: Small slit devoid of lips; JAW: Small in relation to human proportions; BODY/ARMS: Long and thin reaching just above knees; HANDS: CONSISTING OF 3 DIGITS, WEBBED, CLAW-LIKE NAILS; TORSO: CHEST AND ABDOMEN COVERED WITH SCALY RIBBED SKIN; HIPS: Small narrow; LEGS: Short and thin; GENITALS: NO EXTERIOR sexual organs; FEET: CONSISTING OF THREE TOES, NO NAILS AND WEBBED. NOTES: Due to AGGRESSIVE NATURE of humanoids, no samples of blood or tissue could be taken (One humanoid ATTACKED DOCTOR causing DEEP SCRATCHES ON FACE AND CHEST). When offered various food, refused to eat... One way passage has been requested for both humanoids to Wright Patterson Air Force Base USA for more advanced investigation and research..." <P>

Many of the details regarding these 'humanoids' are actually

very similar to other branches of the reptilian race as it has been described by other witnesses. It appears as if the 'serpent race' is composed of several different branches or types, much the same as dogs and other animals retain their distinction but are composed of several different 'types' or 'branches'. Commonly known reptiles are devoid of bodily hair, have prominent cheek bones, large slanted eyes, small openings in place of ears, 3-digit webbed hands and feet -- except in the case of snakes, etc., which lost use of their limbs through atrophication over 1000's of years, -- have claws, are covered with 'scaly' ribbed skin, and have no external reproductive organs, being egg-layers, and are aggressive and predatory in nature.<P>

The top-secret document indicated that the passage of the object and creatures would be implemented on the 23rd of June, 1989 to Wright Patterson AFB. Actually, sources DO indicate that Wright Patterson DID IN FACT GO ON RED ALERT on that date. Subsequent documents supplied by the Intelligence source to QUEST INTERNATIONAL indicate that the creatures seemed to have a strong connection with the SAURIAN race which existed in ancient times. The exact wording of one particular document which is now in the hands of QUEST INTERNATIONAL is as follows: <P>

"All informations found aboard alien spacecraft concerning the evolution of alien life forms indicates to an evolution similar to that which we find on Earth PRIOR TO THE EXTINCTION OF

THE DINOSAURS... (the findings indicate) a high degree of ADAPTABILITY. Further physiological and psychological studies performed in South Africa and in the United States points to a simple and complex structure of behavior. It would seem as if these lifeforms CAN NOT FUNCTION INDEPENDENTLY WITHOUT GROUP INTELLIGENCE AND IDENTITY TOGETHER WITH A CENTRAL COMMAND. According to additional informations found aboard retrieved craft a separate race is designated superior by them. CONCLUSION: An in-depth study and analysis of the psychological make-up and behavior prediction is advised. Studies performed on two alien life forms captured has proven that they cannot act independently from own acquired intelligence without access to communication, orders and instructions from a hierarchy or central command..." <P>

Three different aspects of the South African affair in fact coincide very closely with what other sources have revealed concerning these reptilian-saurian or 'alien' creatures: <P>

<STRONG>1)</STRONG> Numerous sources indicate that the saurioid 'grays' are the lower echelon of a hidden reptilian hierarchy, and that the other race which is considered to be superior is saurian-reptilian and hominoid as well, although they are a different and larger 'branch' of the serpent race. They resemble "lizard men" of a somewhat similar appearance to the RAPTORS depicted in the movie JURASSIC PARK, yet of a more hominoid mutation or appearance than those depicted in the movie;<P>

<STRONG>2)</STRONG> Many other sources state that the serpent race, saurians

or reptilians operate on a 'collective consciousness' level as if the

individual alien beings are -- to put it in one perspective --

individual 'cells' in an immense mind or body of a single immense

creature. Actually there seems to be a COMBINATION of both

individuality AS WELL AS 'collective consciousness' operating in

these entities; <P>

<STRONG>3)</STRONG> The description of the 'aliens' as well as the electromagnetic

nature of their craft corresponds exactly with descriptions given

in THOUSANDS of separate reports of this nature. <P>

The Intelligence Officer who contacted QUEST INTER-

NATIONAL and provided them with the information, claims he

did so out of concern for the security of the human race as a

whole, and although he was pressured into signing a 'National

Secrecy Act' form he believes that he would be guilty of treason

against the human race if he did not disclose what he knew, and

what the governments were trying to hide.<P>

It is remarkable that the majority of the non-human occupants

which are reported in connection with these AERIAL craft are said

to be REPTILIAN or SAURIAN in nature, especially in light of

uch prophecies as the one given in Revelation chapter 12, which

reads:<P>

<BLOCKQUOTE> "...And there was WAR IN HEAVEN: Michael fought against THE DRAGON; and THE DRAGON fought and his angels... and the GREAT DRAGON was cast out, that OLD SERPENT, called the Devil, and Satan, which DECIEVETH the whole world..."
</BLOCKQUOTE><P>

One of the 'phenomena' which we have mentioned earlier has taken place in several different parts of the world, but most prominently along the Continental Divide region of the U.S. <P>

Since the late 1960's, bizarre animal (especially cattle) mutilations have been on the increase. Numerous accounts claim that these mutilations were performed with laser-fine surgical precision, with cuts so precise (down to the separation of the molecules themselves) that they could not have been accomplished by the conventionally known technology of the time. Eyes, colons, reproductive organs, etc., are very often reported as having been removed in such a manner as if part of a rehearsed process being carried out in widely scattered locations. The blood is almost always described as having been drained with no resulting vascular collapse (also impossible with the conventional technology of our society at the time). In most cases no tracks or markings in the ground have been discovered, which is another mystery that investigators for a large part have been unable to explain; but in the few cases where markings have been seen, the investigators consistently report the existence of

strange 'tripod' or 'crop-circle' marks in the ground, nothing else. Another strange phenomena surrounding these mutilations is the fact that predatory birds and other animals which have fed off the carcasses of the mutilated animals have often been found lying dead nearby. It is even reported that in some cases maggots have refuse to touch such carcasses. Again, the reason is unknown. Just who or what is mutilating these animals? The "Mutilation" phenomena was at its height from the mid-1970's to the late 1980's. In the mid-1990's the mutilations seem to have had a major resurgence, especially throughout the Rocky Mountain states. In the Vol.5, No.4, 1990 issue of "UFO" Magazine (pp.16-17), Linda Moulton Howe, in her article, "THE HARVEST CONTINUES: ANIMAL MUTILATION UPDATE" made some very remarkable observations concerning the mutilators themselves. She wrote:<P>

<BLOCKQUOTE>"In 1989, there were so many cattle mutilations in southern Idaho that Bear Lake County Sheriff Brent Bunn told me: 'We haven't seen anything like this since the 1970's.' Sheriff Bunn sent me 16 neatly-typed 'Investigation Reports' about cattle mutilations that had taken place in his county between May and December. Over half occurred in a remote valley called Nounan. Only eighty people lived there. Ranching is their main income source, and cattle are precious. Disease and predators are old and well-understood enemies. What descended on Nounan, Idaho in the summer and fall of 1989 was not understood -- and it scared people.<P>

"'Bloodless cuts -- that's what bothers people,' officer Greg Athay wrote in his mutilation report,' There were no visible signs of the cause of death. It appeared that only the soft tissues (nose, lips and tongue) were gone off the head and four nipples off the bag. Again there was no blood on the hair and ground.'"</BLOCKQUOTE><P>

Howe described another incident which took place in this region during the same time-period. This series of mutilations involved mostly cattle, over half of which were young calves:<P>

<BLOCKQUOTE>"...One mutilated calf, found December 24 (1989), north of Downey, Idaho, was found lying on its back with the naval, rectum and genitals neatly cut out of the steer's white belly. No blood was found anywhere. The steer was taken for an autopsy to Dr. Chris Oats, D.V.M., at the Hawthorne Animal Hospital. Dr. Oats checked all the vital organs and was unable to determine the cause of death. During the autopsy, a sharp cut was found in the right chest area, and Dr. Oats also discovered that a main artery had been severed under the chest wound. <P>

"She was surprised that 'the steer had lost a large amount of blood, but (she) could not understand where it went to.' There was no blood on the steer or on the ground. Dr. Oats also determined that the steer had not been dragged by the neck or tied up around the feet."</BLOCKQUOTE><P>

Linda Howe also confirmed the fact that strange aerial disks have often been reported in connection with the mutilations:<P>

<BLOCKQUOTE>"...Throughout the history of the animal mutilations, since 1967, there have been numerous eyewitness accounts of large, glowing disks or 'silent helicopters' over pastures where dead animals were later found. One Waco, Texas rancher said he encountered two four-foot tall, light green-colored 'creatures' with large, black, slanted eyes, carrying a calf which was later found dead and mutilated. In 1983, a Missouri couple watched through binoculars as two small beings in tight-fitting silver suits worked on a cow in a nearby pasture. The alien heads were large and white in color. Nearby, a tall, green-skinned 'lizard man' stood glaring with eyes slit by vertical pupils like a crocodiles..."

On Oct. 20, 1991, California researcher Michael Lindemann, founder of 'The 20/20 Group' (3463 State St., Suite 264., Santa Barbara, CA 93105), gave a lecture before a large crowd of interested investigators which seems to confirm much of the information which appears above. Mr. Lindemann began his report by saying:<P>

<BLOCKQUOTE>"...How many of you saw the program on CBS Network on May 17th (1991) called 'ABDUCTION'? It was narrated by James

Earl Jones. It was really quite a remarkable program, it took the subject of abduction absolutely seriously. This was prime time network, CBS. Of course FOX (network) has done a number of other programs and there have been some out standing UFO segments on 'UNSOLVED MYSTERIES'. But last night, maybe even a little more remarkable than the FOX 1-hour special, was what came on the news right after. Because in the Fox Network news program that followed in the 10 o'clock segment there was a hard news story about the allegation that the United States government is 'doing business' with greys. I have never seen anything like it... it was a very impressive indication of the way in which this subject is suddenly becoming O.K. to talk about. That says to me there has been a switch 'at the top'...<P>

"In our conversation today I use two terms... and the first of these terms is 'government'. We speak of the government as if it is a single thing. It is hardly that. It is actually a hodge-podge of...power-struggling people, but I would like to break it up into two main categories, and that is: 1) The government that we consider to be our duly constituted, our elected and appointed representatives who attempt as best they can to run a semblance of order or Federal government which follows the dictates of the constitution of the United States. The constitution is, after all, a darn good piece of paper, it is one of the best ever written... If only our government were capable of behaving in even...a resemblance of what is intended in the constitution, probably few of us would have a great deal to gripe about...<P>

"Now that they've failed to do that is not only because they are fallible humans, but also because they are undermined by another government. There is indeed another government operating and that government has immense power and operates primarily behind the scenes. And some other researchers have called it the 'secret government', some have called it the 'high cabal'. And it is a group of people, a very elite group, non-elected, self-appointed people who guide the evolution of (government) policy from behind the scenes. These are people who transcend partisan politics, indeed who transcend the rule of law, and have no thought whatsoever toward the dictates of the constitution.<P>

"These are people who regard themselves as the only true guardians or crafters of geo-political reality. And they regard us, indeed they regard elected officials as 'mere mortals'. These people are the self-appointed 'OLYMPIANS'. They have done many things in the name of an agenda which is their own, that we would consider appalling and reprehensible. Indeed things that are criminal, but they're more than criminal because they have sapped and usurped the rights and privileges and the possibilities of our future. These people are running a kind of 'end game' right now. They are trying to determine how 'they' will survive the end time... whether that endtime comes as a kind of biblical apocalypse or...as the catastrophic collapse of the environment... the (so-called) 'population bomb' and all the other things... whether it comes as a collapse of the banking-system

which looks to be only days away, or the collapse of the rest of the world's economy -- there are many things that could get us.
